There are several important announcements we'd like to make this month that should provide some insight into some of the exciting new projects that we are currently working on.

To begin with, be on the lookout for the first issue of the TROLL PATROLL, which features the likes of Goal Troll, Toll Troll, Droll Troll and the Soul Trolls. The Troll Patroll must be ever vigilant as the Witch Skullia and her evil horde of trolls—the Controller, Trollinator, Frankentroll, Lost Controll and Robotroll—seek to destroy the Troll Patroll's peaceful Troll Town!

It is an exciting—and strangely humorous—battle of good versus evil set in the darkest corner of the Enchanted Forest. You don't want to miss it.

Also coming very soon is ULTRAMAN, the great superhero seen by millions on their television screens and on their Super Nintendo Entertainment Systems. Once again sweeping the nation and the world, Ultraman will soon star in his own three-part adventure series that will include epic battles against fearsome monsters and villains as well as the awesome secret of Ultraman's origin.

It's another must see for all fans of superhero comics, but collectors should take special note: Each cover of the series will feature a Ken Steacy painting! Reserve your copy (or copies) now. We'll have more about this highly anticipated project shortly.

One last bit of news is the announcement of the spectacular Harvey participation contests.

Leading off is the Harvey "Draw Me" contest with winners having their original artwork printed in Harvey comics. Soon, there'll also be the "Want to See Your Face In a Harvey Comic?" contest. The lucky winners will have their faces (drawn by a Harvey artist) appear in Harvey comics! And then there'll be the "Here's Your Chance to Write for Comics" contest. This will be your chance to have your story ideas—and, of course, your byline—appear in a Harvey comic book!

Look for contest announcements in your monthly Harvey comics. We think you'll want to enter every one for your chance to become part of Harvey Comics history!

That's a lot of news for one month, but before I close, I'd like to add something to a promise I made a while back. Several months ago, I told you I would be relating some stories about the many Harvey creators and characters who have made this company the great and important one it is today. Judging by the mail I've received, this is something you all want to read about. Well, as a start, next month I will devote this entire column to the origin of Harvey characters such as Richie Rich, Casper, Little Dot, Little Audrey, Little Lotta, Hot Stuff, Spooky, Wendy and the rest of the Harveyland gang. Look for it. I think you'll find it quite interesting.

So till then, keep those letters and comments coming to us. We love to hear from you and read every letter we get.

See you next time.

Dear Hot Stuff and Wendy,
My name is Kimberly Cantrell. I am seven years old. I think your comics are very very very good. I like you, Hot Stuff, because you have a bad temper and I like you, Wendy, because you are very nice.
Sincerely, Kimberly Cantrell
Gatlinburg, TN

Dear Kimberly,
Like they always say, Kimberly, "opposites attract," and that's why Wendy is one of my very best friends! I can be really bad sometimes while Wendy is always so very good! I still think she should be more like her Aunties, but then again, three mischievous witches in one house is more than enough. Well, I gotta go now, Kimberly! I've been playing outside all day, and my Aunt Clinker says I have to take my lava bath now!
Your Pal, Hot Stuff

Dear Richie Rich,
Hi! My name is Andrew Matthes. I am your biggest fan. Some other people think they are, but I am. I am eight. I bet none of your other fans who are eight can spell encyclopedia! I like all the other Harvey characters too. My other favorites are Casper, Hot Stuff and Wendy. I am crazy about Harvey comics, and I am always buying them! Well, I gotta go now. It's 8:30. My bed time is at 9:00, but I want to read comics!
Andrew Matthes,
Canada

Dear Andrew,
I like to read comics before I go to sleep too, Andrew but I have to go to sleep at 8:00! Sometimes I try to sneak into my playroom to read, but Cadbury or Irona (who NEVER goes to sleep) always find me and put me back to bed! Encyclopedia is a very long word, Andrew, and I don't think that any of my fans who are eight can spell a word that long! But if any of them can, I'm sure they'll write me and let me know!
Your friend, Richie

Dear Harvey Comics,
I love your Baby Huey comic books because they are funnier than any other book I've read before. I found out about Baby Huey from one of your other comics. I like him because he's funny and dopey. I hope you make more Baby Huey comics.
From Chris Leighty
Morton's Gap, KY

Dear Chris,
Duh, my friends always call my dopey and funny, Chris! Is that the same as funny and dopey? I hope so because I like all my friends, and I want you to be one of my friends! I'm glad you think my comic book is funny! I can't read very well, but I can tell the pictures are funny! The only problem is they always draw me so small! I'm much bigger than two inches tall! You can look for a big me in my upcoming short film from Universal Pictures! They promise I'll be at least 10 feet high!

Dear Audrey,
Hi! My name is Meghan Daigle. How is it like to be a comic? Is it fun? Do you ever get a gift? Do you go to school? Do you have a report card?
Your #1 fan, Meghan Daigle,
8 1/2 Years Old
Mandeville, LA

Dear Meghan,
It's a lot of fun being a comic, Meghan—but I still have to go to school and I still get a report card! =sigh!= Melvin gives me presents every once in a while, but the best gift if the gift of friendship! That's why I love it when fans like you write in, Meghan!
Your friend, Audrey

Dear Casper & Wendy,
Hi! My Dad started me liking Casper comics. He told me about Wendy, but I never read her comic because I couldn't find it! Now that I know Wendy, she is one my favorite comic characters too. I have 20 Casper and Wendy comic books! My Little sister, Caroline, likes Wendy a lot too, and she thinks Casper is cute!
Your fans, Christy Favole, age 12
and Caroline Favole, age 5
Graham, NC

Dear Christy and Caroline,
We always like getting letters, especially when we get two fans in one! I read your letter to Casper, and when he heard the part where Caroline called him cute, he blushed! He turned so red he looked like Hot Stuff! I'm glad you were able to find my comic book, Christy, but don't forget all my other friends! You might be surprised at how much you like their comic books too!
Your friend, Wendy
